

## **Test Preparation for Easton High School Students**

### **PrepMe**

The Easton Library provides a free quality SAT preparation service. PrepMe is a premium online SAT preparation company founded by graduates of top schools such as Caltech, the University of Chicago, and Stanford. Their course will identify your strengths and weaknesses and create a custom week-by-week schedule to help you raise your score. PrepMe is the test preparation of choice for many schools and districts around the country .

PrepMe can be found through the Easton Library website, [www.eastonlibrary.org](http://www.eastonlibrary.org). To use PrepMe login with your Library Card bar code number. Then create a username and password for yourself so your lessons and exams are customized for you.

### e-Newsletter

The Easton Library provides an easy way to be sure you don't miss out on the types of books you'd really like to read. It's our free e-newsletter service. Just subscribe to as many e-newsletters as you'd like and you'll receive e-mail newsletters with brief descriptions of each title as well as links to the library's catalog so you can easily reserve titles of interest. The e-newsletter can be found through the Easton Library website:  
[www.eastonlibrary.org](http://www.eastonlibrary.org).

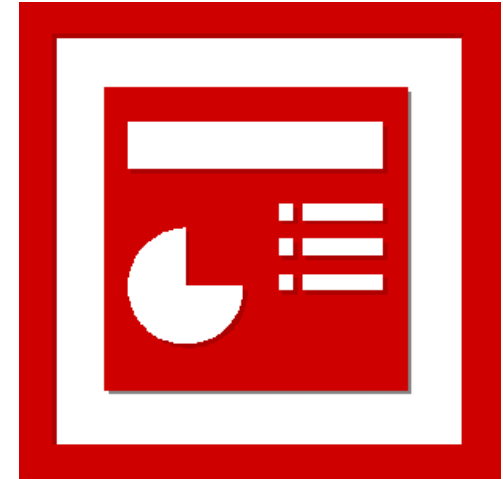

### Graphic Novel

The Easton Library carries a variety of popular Graphic Novels that many teens enjoy reading.

### Video Games

The Easton Library has created a new video game collection. Games are available for the GameCube, Xbox PlayStation and Wii gaming systems. Games will be loaned for one week and are renewable if no one is waiting for them. Look for games after February 11, 2008

### PowerPoint

In keeping with the Easton Library's commitment to public service, the Library offers PowerPoint on all public access computers.
