Easton Pride provides a safe, supportive, and empowering home for the Easton LGBTQ+ community. We work to increase 2SLGBTQ+ visibility and raise funds for programs and events that uplift and celebrate the community.

This list is intended to expose young adult readers to books about the young adult LGBTQIA+ experience. These titles are enlightening and entertaining for all readers, but they also serve the important purpose of creating mirrors for LGBTQIA+ readers and windows for other readers to better understand the lives of LGBTQIA+ teens. At their core, *these books support the dignity and flourishing of all identities.*

Many of these thoughtful books are created by people who are part of the community they are writing about. This lends the stories authenticity.

Some titles are available as downloadable audiobooks and eBooks. Please check our catalogue for more details. For more titles or information on LGBTQ+ books and resources, please contact Emma, the Youth Services Librarian.

Happy Reading!
