

Easton Public Library

Policy on Inter-Library Loans

The Easton Public Library is pleased to be able to search for items for patrons to borrow on inter-library loan. The Library will consult the Connecticut State Library's findIT database for the requested items that are not available in Bibliomation. Due to limited resources, the Library may restrict the number and type of searches we can perform for a patron at any one time.

Adopted by the Library Board of Trustees, August 3, 1993

Revised: May 2, 2005, April 3, 2023
