

EASTON PUBLIC LIBRARY ORAL HISTORY PROJECT
Parent/Guardian Permission Form

The Easton Public Library, in conjunction with the Town's 175th Anniversary Celebration, will be hosting an oral history project. The objective of this project is to partner students in Grades 5 & up with a longtime Easton resident whom the student would interview. Easton Library Staff will serve as facilitators and advisers for this project, and they will provide procedures and guidelines to the participants. Completed content, which may consist of audio/video/written material, will be archived by the Library, and it will be published in local media outlets, including the Easton Courier and the Library's website and social media platforms.

Students in Grades 4 and under can contribute to this project as well. Submit a drawing or a written entry, symbolizing your favorite thing about Easton or a favorite Easton memory. These will be put together into a slideshow to be displayed on the Library's website.

Students under 18 will need permission from a parent or guardian in order to participate. Please complete this form and email it to Kevin Krug at kevink@eastonlibrary.org. Any questions may be directed to this email as well.

Name of Student _____
Age _____ Grade _____
Phone _____ Email _____

Name of Parent/Guardian _____
