This bibliography is intended to expose young readers to books about the LGBTQ+ experience. These titles are enlightening and entertaining for all readers but they also serve the important purpose of creating mirrors for LGBTQ+ readers and windows for other readers to better understand the lives of LGBTQ+ people.

Many of these wonderful books are written and/or illustrated by people who are part of the community they are writing about. This lends the story authenticity.

For more titles or information on LGBTQ+ books and resources, please contact [Kristine Oulman](#), the Youth Services Librarian.

Happy Reading!
